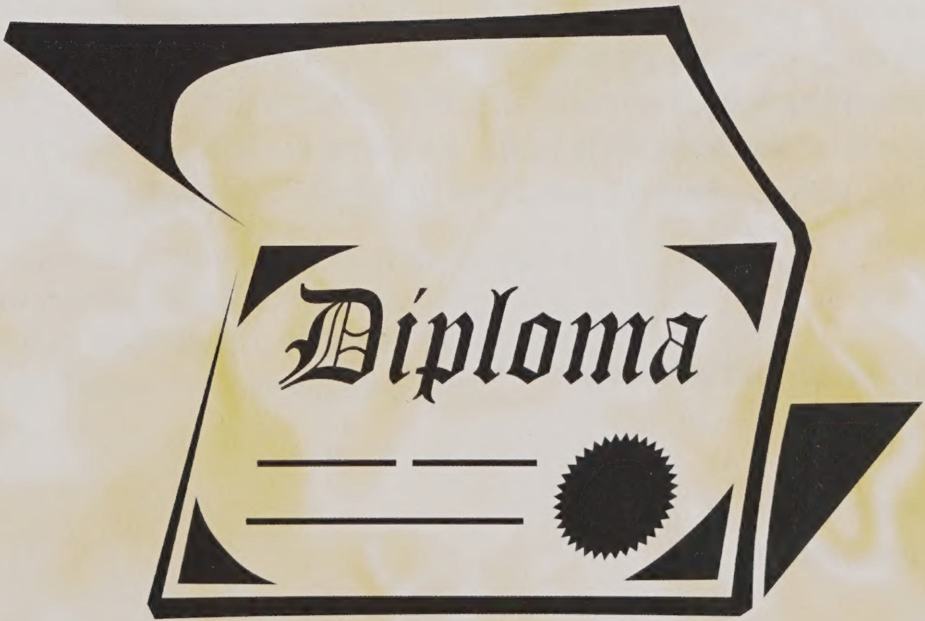
BRIGHTON HIGH

CONGRATULATIONS
CLASS of 2016



Dear Class of 2016-

It is my privilege to congratulate you on your high school graduation! When I concluded my teaching tenure at Brighton, you were freshmen! And now as Headmaster, I get to witness the conclusion of your BHS experience, and wish you well in all that is to come. What an honor. Graduation is a rite of passage; it is an experience and an achievement that marks the end of your requisite education, or that which is required and mandated for you. Up to now, you have worked toward the cherished diploma, which represents many things: knowledge, skills, achievement, reward. You have also crossed the threshold into a new beginning, of the education you will choose for yourself, that which will build on and shape the foundation we've provided you here at Brighton. I believe that foundation is strong. As you depart, you will carry it with you into the future you will make for yourself. My wish for you is that you make that future what you want it to be, what you choose it to be, what you will it to be. For some, it will be college; for some, it will be further training and refinement of skills and talents; for some, it will be work and career. For all of you, it will involve ongoing learning and experience that will build on all you have done and been here at Brighton. Graduation marks the end of your high school experience wherein many of the rules and expectations are established for you. What lies beyond is a world in which you will create and determine those expectations for yourself, a world in which anything is possible through your action and agency, through who you choose to be and what you choose to do. May the expectations you set for yourself be lofty, far-reaching, and grounded in the rigor, respect and inclusivity on which our school community is built. I believe in each and every one of you. I wish you well in all you do, and as always I want you to be safe and make good choices. I know you will.

All my best in all that is to come-

Ms. Bozeman
Interim Headmaster

Dear Members of the Graduating Class of 2016,

It has been a privilege to work with so many members of the Class of 2016. I have witnessed considerable growth and enjoyed watching you mature into young adults. Over the past four years you have accomplished many goals both personally and academically. I applaud your achievements and encourage you to continue your education and professional growth. You have worked hard throughout high school and will need to continue being committed to accomplish your individual goals. I hope you find satisfaction and motivation in your achievements and continue to work to your full potential. I hope that you are leaving Brighton High School with fond memories and will remember to keep in touch with your peers and the faculty. Congratulations to each of you! It has been a pleasure to work with you.

Best Wishes in all your future endeavors,
Mrs. Judges

Dear Class of 2016,

I congratulate each of you on your academic success. Your hard work, dedication, and effort has made me proud. Being a graduate is a moment of pride for each of you. Your list of achievements and accomplishments has been inspiring to our learning community. Through your own relationships, and diversified experiences you are a reflection of America's dream for unity and peace. The Stepping Out For Peace 2016 Step Show, was a great way to show talent from your peers city-wide. Through Restorative Justice we were able to work on our trials and tribulations. We as a community grew, and moved forward with our mission and core beliefs.

I hope you never cease to surprise us with your newer undertakings in life. As you leave Brighton High School carry the torch of excellence, leadership, citizenship, and perseverance to your everyday walk in life. We will miss you! I will miss you! Brighton High School will always be your academic family, and home.

Sincerely,
Mrs. King-Woodson
